(76 complaints are pending in various Courts of Delhi), organization of State and District Level conferences, interactions with Health Workers, Auxiliary Nurse Midwives, Anganwadi Workers on ongoing basis, giving of radio talks by officials, involving school & college Students in awareness generation activities, disseminating messages in Health Melas, holding of gender sensitization workshops, giving of press advertisements and developing information & educational material.

In addition to the measures as above, Government of Delhi has started auditing of medical establishments by independent Committee to find out indirect evidences of violation of PNDT Act.

New Primary Health Centres

1368. SHRI N.R. GOVINDRAJAR: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government have decided to start more new primary health centres, State-wise;

(b) if so, the features of new primary health centres, State-wise; and

(c) the target for the year 2005-2006, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) to (b) Yes, Sir. Government have targetted to open 1714 new Primary Health Centres (PHCs) during 10th Plan period. The recently launched National Rural Health Mission (NRHM) aims at strengthening PHCs for quality preventive, promotive, curative, supervisory and outreach services, through:

- Adequate and regular supply of essential quality drugs and equipment (including Supply of Auto Disabled Syringes for immunization) of PHCs.
- Provision of 24 hour service in at least 50% PHCs by addressing shortage of doctors, especially in high focus States, through mainstreaming AYUSH manpower.
- Observance of Standard treatment guidelines & protocols.
- In case of additional Outlays, intensification of ongoing

communicable disease control programmes, new programmes for control of non-communicable diseases, upgradation of 100% PHCs for 24 hours referral service, and provision of 2nd doctor at PHC level (1 male, 1 female) would be undertaken on the basis of felt need.

(c) The State-wise targets for opening new PHCs during 2005-2006, are given in the statement.
